1. Story and Opportunity

- Metaguro is a community-driven platform that empowers individuals to take control of their financial future. Many people face financial challenges and lack financial education, but Metaguro aims to bridge the gap by providing knowledge and opportunities for wealth creation. Our goal is to foster human connections through financial literacy and prepare for success.
-

1. Story and Opportunity

- Our namesake **METAGURO** is the organic combination of Meta and Kuro. Guro is Kuro, a dark horse originating from the famous novel *The Young Duke* by Benjamin Disraeli.
- In the Edo period of Japan, the then-unknown ronin Miyamoto Musashi (1584-1645), using two wooden swords, outwitted Sasaki Kojiro, the first swordsman with pure Samurai blood.
- This dark horse showdown did not come by accident; it is the result of extraordinary courage and unremitting efforts.

1. Story and Opportunity

- In the new age of the Metaverse, **METAGURO** is created, aiming for excellence and to achieve great self-realization. The like-minded community with a positive attitude has joined hands to conquer this Metaverse world. In the METAGURO world every one of us has the potential of being a life-changing dark horse as long as we dream big.

2. The Metaguro Platform and Ecosystem

- Metaguro is a decentralized autonomous organization that combines capitalism and progressivism. The platform includes the MTGR Marketplace for global goods and services, MTGR Studio for gaming and media development, MTGR NFT Maker for digital asset creation, and the upcoming MTGR Exchange for affordable access to NFT assets. The Metaguro Education Center offers the world's first certification program in financial education.
